

GIZ TRIGGER “Towards Rural Inclusive Growth and Economic Resilience in Tajikistan” is financed by the German Federal Ministry for Economic Cooperation and Development (BMZ). The current phase started in January 2019 and will run until December 2021.

Project objective is to strengthen economic resilience of Small and Medium Enterprises (SMEs), including smallholder farmers, young and female entrepreneurs. It aims to improve links between different market actors (producer groups and processing companies) and to increase the value added of products and services in Tajikistan. TRIGGER advises private sector as well as the political partner in implementing market-based approaches.
